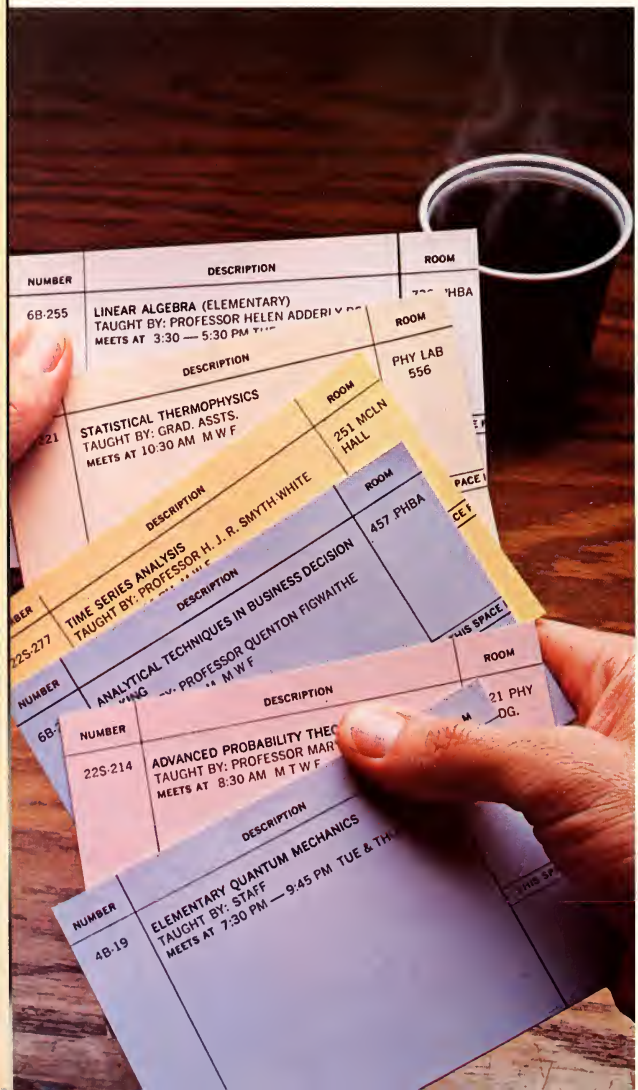
# If you're taking tough courses, you need all the help you can get.



If you've really done it to yourself this term, you need an advanced calculator you can count on through thick and thicker.

You need the most advanced functions and programming features. You need lots of pre-written programs to save you time. You need Continuous Memory and the utmost in dependability. You need an HP calculator.

**The HP-34C. All the help you can get.**

Hewlett-Packard offers you eight different calculators priced from $55* to provide professional solutions in science, engineering and business.

So visit your nearest HP dealer for a hands-on demonstration. Then buy an HP calculator. It may be the last easy thing you do for a long time.

For details and the address of the dealer in your area, call toll free: (800) 547-3400, Dept. 265E, except Hawaii and Alaska. In Oregon, call 758-1010. (Or write Hewlett-Packard, Corvallis, OR 97330, Dept. 265E.)

*Prices are suggested retail excluding applicable state and local taxes—Continental U.S.A., Alaska and Hawaii. 611/12

HEWLETT PACKARD

# SOONER OR LATER YOU'LL GET RESPONSIBILITY LIKE THIS. IN THE NAVY IT'S SOONER.

After 4 years of college, you're ready to take on more responsibility than most civilian jobs can offer. Navy Officers get that responsibility and they get it sooner. That's because Navy Officers become part of the management team after 16 weeks of leadership training.

And as Officers they're given both the management responsibility they deserve and the decision-making authority it takes to make that responsibility pay off.

As their management abilities grow Navy Officers can take advantage of advanced education and training in fields as varied as nuclear propulsion, oceanography, systems analysis and inventory control. In graduate school it would cost you thousands; in the Navy we pay you.

If you qualify to be an Officer in the Navy, chances are you have what it takes to succeed. The Navy just makes it happen faster.

# BRING BACH TO THE BACKWOODS.

## THE GE SUPERADIO

Bringing music to the middle of nowhere is easy when you bring along the GE Superadio. Because Superadio has more pulling power than any FM/AM portable we've ever made.

Not only does Superadio bring in stations from far-off cities, it also separates stations that are close together on the dial.

Which means you get great reception and a wider range of stations to choose from.

Model 7-2880

What's more, with Superadio's separate bass and treble controls and highly sensitive speaker, you get great sound.

So, whether you want to bring Mozart to the mountains or disco to the desert, the GE Superadio brings it in loud and clear.

WE BRING GOOD THINGS TO LIFE.

The class break scheduled for October 2, 1981, has been moved to October 9, 1981. This change was necessitated because of a conflict in use of the Coliseum by the West Tennessee Educational Association and Mid-South Fair events. WTEA will meet on October 9 in order to be able to use both the Coliseum and University facilities.

# IF YOU CAN AFFORD A CASSETTE DECK, NOW YOU CAN AFFORD A TEAC.

You may not be rich, but you're smart. So when you finally pop for a cassette deck, you want all the machine you can get for your money.

And with our new, affordable V-Series decks, that's quite a bit.

Choose the V-30 and you'll get refinements like LED bar meters for faster, more accurate monitoring. Dolby* noise reduction. Three-step bias/EQ selectors that include metal tape. And a timer you can set to record or play at any time.

The V-40 gives you all that plus the delicate feel of soft touch controls.

And the V-50 comes with a built-in microphone so you can add your own commentary while you record.

But best of all, while affordable, these decks are still TEAC. Which means they're built to last. To work and work well. Which makes them an uncommon value.

And we know that you know a bargain when you see one. Let alone three.

TEAC.

## ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after August 1, 1981, cannot be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to that date. Anyone failing to do so cannot be assured of being considered for admission.

### New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Room 165, Administration Building, or by telephoning 454-2398.

### Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Undergraduate or graduate former students desiring to be readmitted may obtain an application for readmission from the Office, Room 163, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students.

**Graduate students who have not attended Memphis State in the past 5 years or longer must apply for readmission at least 3 days prior to Graduate Registration in order to complete registration on time.**

### Transferring Credit to MSU

In order for completed additional course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University.

### Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the office of the Admissions Adviser for Residency.

### Persons Over 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of $9 per semester hour, not to exceed $75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Administration Building, Room 115, or telephone 454-2671.

## REGISTRATION PROCEDURES

### (1) CONSULTING WITH ACADEMIC ADVISER

### Current Students

Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a class schedule with an adviser's signature prior to entering the registration center.

To find where an adviser will be located for assistance in class scheduling, go to the Adviser Locater Station in the Packet Center located in the Old Cafeteria of Jones Hall, when it is open, and in the Late Registration Center, during the late registration period. Please consult the registration calendar for dates and times these Centers will be open.

*During scheduled evening hours of late registration, advising is available in the Late Registration Center. During the day (8:30 am-4:00 pm) academic advising occurs in the academic department. Faculty advisers are generally available except when they are teaching. Assistance in locating an adviser can be obtained in the Office of the Department Chairman or in the Late Registration Center.*

### Handicapped Students

Preferential scheduling is offered to some disabled students to allow them reasonable opportunity to plan around disability-related needs. Students eligible for this service include those with mobility impairments, visual or hearing impairments, dyslexia and others who must accommodate medical or educational needs arising from a disability. Attendants for handicapped students are also eligible.

Preferential scheduling is begun prior to regular registration. Students using this procedure should see their adviser, fully complete the "Student Schedule" form and take it to the Handicapped Student Service Office well in advance of the beginning of registration. The desired class cards will be pulled before registration opens and will be held on reserve in the Records Referral Center at Registration.

Handicapped students may go through registration at any convenient time **after** the appointment time assigned in the Registration Packet. After being cleared to register, they should proceed directly to the Records Referral Center and pick up their envelope of reserved cards. From there they must proceed through the regular line to complete registration.

If a student for whom cards are pulled in advance should for any reason decide not to complete registration, notification must be given to the Handicapped Student Service Office so that the reserved cards may be returned to the departments for use by others.

All reserved cards that are not picked up during regular registration will be transferred to the Referral Desk at Late Registration. Handicapped students may ask for a waiver of late fee on the basis of handicap if their cards were reserved in advance. However, students who can go through Regular Registration are encouraged to do so rather than going through Late Registration.

For further information and specific details, please contact the Director of Handicapped Student Services, 215 Scates hall, or call 454-2880.

**New and Readmitted Students (Undergraduate)**

Freshmen and transfer students registering for the first time should attend a new student orientation session at which information concerning the registration and advising process will be given. (See Registration calendar for date and time.) All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. This should be done prior to the new student orientation session. Students who have not seen an adviser will be assigned one during the orientation session.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

**Evening (Undergraduate)**

New and Readmitted Undergraduate students **enrolling in evening and/or Saturday courses only** may obtain the required registration and advising information in the Evening Academic Services Office, Room AD 167.

**Unclassified, Special Undergraduate, and Audit Students**
Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 167, Administration Building for advising assistance.

**New and Readmitted Students (Graduate)**
New Graduate School students are directed to an adviser following their admission. Students who are classified as Graduate Special or Graduate Provisional, should go to the Graduate School Office, Room AD 315, for an adviser. An orientation session for new graduate students is held on the morning of graduate registration.

Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser. Readmitted graduate students not having a major should contact the Graduate School Office for an adviser.

Graduate students attending in the evening should follow the procedures outlined above.

## (2) OBTAINING REGISTRATION MATERIALS

The registration packet consists of four basic materials: (1) "Student Information Form," (2) "Registration Appointment Card," (3) "Registration Receipt," and (4) a permanent ID card.

**Current Students**
Registration materials are mailed to the permanent address of all students currently enrolled, with the exception of those students having outstanding financial obligations at the time registration materials are prepared, those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office. When a hold is released, the student is given a release card which tells where and when to secure his packet.

**New and Readmitted Students**
New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of registration and receive instructions on how to accomplish this.

## (3) SECURING CLASS CARDS

Students having their "Student Schedule," permanent ID card, and registration materials, are prepared to enter the Registration Center to obtain class cards and to pay fees.

**Registration appointment times —** Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority is based on cumulative hours earned. The student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

### REGISTRATION PRIORITY

Since all students cannot register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. Appointment times do not reflect hours earned during the current term. For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times cannot be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

**Special Courses**
Credit/No-Credit Courses — Certain students, **with permission from the dean of their college,** may elect to take some courses on a credit-no-credit basis. Details are found in the undergraduate *Bulletin*.

Procedures for registering are as follows: (1) Obtain permit form from academic advisor, complete information on the form, and secure advisor's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Obtain "Class Card Request" form; (5) Take completed permit form and "Class Card Request" to the Registration Center at the appointed registration time.

Audit Courses — The student must: (1) Obtain academic advisor's approval; (2) Go to the department in which course is taught and pick up "Class Card Request" form; (3) Take the "Class Card Request" to the Registration Center at the appointed registration time. Fees for audit courses are the same as for credit courses. Further details on audit courses are found in the undergraduate *Bulletin*.

**Late Registration**
Students registering during the day at the Late Registration Center must go to departments to obtain class cards. Cards are at the Center during evening late registration hours.

### ID CARD

**ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.**

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. New students will be given information concerning ID cards in their information sessions. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 208 Scates Hall. A student will be charged $10.00 to replace a card that has been damaged, stolen, or lost. A charge of $2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time ID card validation. ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for a full-time academic load, consult the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

### (4) PAYING FEES

**Students should not enter the Registration Center unless they are prepared to pay fees. Registration is not completed until fees are paid.** Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship" or "Authorized Billing" stations in the Fee Payment Center. Students will not have their names placed on the class rolls until after all fees are paid.

**Students may not register until all outstanding financial obligations have been cleared.**

**Returned Checks**
It is expected that a check given the University, for any reason, will clear the bank on which it is drawn. A $5.00 service charge will be assessed for each returned check whether given in payment of any fee or cashed by the University for the convenience of the student. Check cashing privileges will be revoked for any student who has had checks returned by his bank more than once within a twelve-month period.

## FEES AND DEPOSITS

**Application Fee**
Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of $5.00.

International students pay an additional $25. processing fee.

**Maintenance Fee**
All students, whether resident or non-resident, pay a maintenance fee. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

**Summary of Course Fees for Fall Semester**

| | In State | |
|---|---|---|
| | Per Hour | Maximum |
| Undergraduate | 32 | 365 |
| Graduate | 42 | 443 |
| Law (degree) | 42 | 453 |
| Law (non-degree) | 54 | |
| | **Out-of-State*** | |
| | Per Hour | Maximum |
| Undergraduate | 98 | 1130 |
| Graduate | 108 | 1208 |
| Law (degree) | 108 | 1218 |
| Law (non-degree) | 120 | |

**Out-of-state student fees include a maintenance fee which is charged each student plus an additional $66.00 per hour or $765.00 maximum.*

Fees for audits will be assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated periods during a term, or at specific locations, may be subject to fees on a per-hour basis only.

**Activity Fee**
All students enrolled for one credit hour or more will pay a $1.00 Student Activity Fee. The amount is $1.00 regardless of the total number of hours for which the student is enrolled.

There is no activity fee during the summer terms.

**Tuition**
Students classified as non-residents are charged an **additional** $66.00 per semester hour.

The Office of Admissions and Records is charged with the responsibility of assigning a residency classification to each student using regulations provided by the Board of Regents. The student may appeal the decision to the Committee on Residency. Residency regulations of the Board of Regents and information on appeals procedures are available in the Office of Admissions and Records.

**University College Fees**
In addition to their $5.00 application fee, students who apply to the University College must pay a screening fee of $15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of $25.00.

Students who apply for credit for experiential learning will pay $15.00 per credit hour granted after evaluation of their learning and assignment of credit. For those students who are enrolled under a group contract, no more than a maximum fee of $90.00 will be assessed for credits assigned under the terms of the group contract.

**Courses in Applied Music**
The fee of applied music is $30.00 per semester for each one-half hour lesson.

**Music Locker Deposit**
Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of $3.00 for one semester or $4.00 for two semesters is required on each locker issued. This deposit, less a service charge of $1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

**Automobile Registration**
Each person who expects to operate and park any motor vehicle on the campus must pay $5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office (Room 151, Administration Building). A reduced fee of $4.00 is charged for vehicle registrations after January 1, and $2.00 after May 1. Proof of ownership must be presented when registering the vehicle. Residence hall occupants should ask for a special resident decal when registering their automobiles.

**Air Force ROTC Deposit**
A uniform deposit of $10.00 and a $5.00 activity fee are required of each student who enrolls in the Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

**Laboratory Deposits**
Certain courses in chemistry require breakage deposits from $10.00 to $20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

**Physical Education Locker and Towel Fee**
Students enrolled in physical education courses must pay a fee of $4.00 for the locker and towel issued them. Students must provide their own lock.

**Late Registration**
Students who do not complete registration (including the payment of fees) during the official registration period will be charged $10.00 for any late registration following the official registration period.

**Adding and Dropping Courses**
A fee of $5.00 will be charged for each change of course form processed, regardless of the number of course or section changes included on the form.

**Transcripts**
There is no fee for transcripts. However, the student will be charged $1.00 for each official transcript over the maximum of five (5) per request. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

**Diploma Fee**
Each candidate for a degree from Memphis State University pays a $20.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons over 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

## STUDENT FEE REFUND PROCEDURES

**Maintenance Fees, Out-of-State Tuition, Music Fees**
The following refund percentages apply to students who withdraw from the University or who drop to an hourly load below full-time.

1. 100% Refund: A full (100%) refund of fees will be made for courses cancelled by the University.
2. 75% Refund: The University provides a 75% refund of enrollment fees beginning at the moment of registration and extending for a period of time as noted in the term calendar for the semester.
3. 25% Refund: A 25% refund of enrollment fees is provided after the expiration of the 75% refund and concludes as noted in the term calendar for each semester.
4. 100% refund in case of death.

If a student withdraws during the 75% period, all of the student activity fee is refundable. There is no refund of the student activity fee after this period.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date or percentage cannot be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons which are beyond the University's control or responsibility.

Note on the term calendar in the *Schedule of Classes* that the refund period ends **earlier** than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately two weeks after classes begin and usually should be completed six weeks after classes begin.

**Appeal Procedures for Fees and Refunds**
A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

**Credit by Examination or Placement Examination**
The fee for taking an examination for credit is $15.00 minimum and an additional $5.00 for each credit hour over three; this fee

must be paid prior to the examination. The same fee must be paid when an application for credit is made under the Credit by Placement Examination policy.

### (5) CHANGING ENROLLMENT STATUS

**Change of Course**
After a student's registration is complete, he may change his class schedule by adding and/or dropping courses. APPLICATION FOR PERMISSION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISOR. Time limits for add/drop are outlined in the semester calendar. A fee will be charged for each change of course transaction before it is processed. There is no charge for a change made as a result of the University cancelling a course.

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean.

Students who wish to discontinue attending and who are enrolled in one course only must withdraw, not drop the course.

**Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. Students should check each class card which they are issued to insure that the course and section numbers, time and credit agree with what they requested. Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have been changed. Up-to-date information may be obtained during registration.**

**The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly.**

**University policy prohibits the waiving of the change fee when a course section has been closed and later reopened. The University reserves the right to cancel courses or sections.**

**Withdrawal Procedures**
Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.
(1) Undergraduate Students—the Center for Student Development, Room 120, Scates Hall
(2) Evening/Saturday Students—the Dean, Evening Academic Services, Room 167, Administration Building
(3) Graduate Students—the Dean of Graduate Studies, Room 315, Administration Building

Time limits for withdrawals are stated in the Semester Calendar.

**Change of College or Major**
Undergraduate students in the Colleges of Arts and Sciences, Business Administration, Communication and Fine Arts, Education, Engineering, and the University College may change their college or major by completing an application at the designated office of the college for the new major. These offices are as follows:

Arts & Sciences
  Dean's Office — MI 219
Business Administration
  College Advisor — BO 426B
Communication & Fine Arts
  Dean's Office — MJ 300
Education
  College Advisor — ED 211
Engineering
  College Advisor — EN 259
University College
  Dean's Office — JN G-1

Graduate students may change their major by making application in the Office of the Dean of Graduate Studies, Administration Building, Room 315.

**Change of Advisor**
Students may change advisor by making application to the college in which they are currently enrolled. After being assigned an advisor, the student should come immediately to the Records Office.

**Change of Name, Address, or Social Security Number**
It is imperative that the student keep his/her name and address current on University records. Opportunity for changing addresses is provided on the "Student Information Form" in the registration packet. In order to change social security number or name, the student must come to Room 119, Records Office, Administration Building. Students who move should leave a forwarding address with the post office so that all University mail will reach them at their new address.

*IMPORTANT: All changes should be made early in the semester to insure their processing before the next semester.*

## GRADE REPORTS

A grade report showing the grade received, credit hours earned, and quality points earned, are mailed to the permanent address of each student at the end of the semester. The grade report will show cumulative hours attempted, hours earned, and grade point average.

**Withholding of Grade Reports**
The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Packet Center or Late Registration Center, when these are open, and in the Records Office thereafter.

**THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.**

## ACADEMIC STATUS AND RETENTION

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester. A complete statement of the policy regarding academic status and retention may be found in the University *Bulletin*.

Specific questions concerning academic retention/suspension should be directed to the Evening Academic Services Office, Room 167, Administration Building, between the hours of 12:00 Noon-8:00 p.m. Monday through Thursday, and 8:00 a.m.-12:00 Noon on Saturdays.

Undergraduate students should be aware of new academic status and retention policies which are printed in the *Addendum to the Catalogs*, Section IV of this *Schedule*.

## PRIVACY RIGHTS OF PARENTS & STUDENTS

### ANNUAL NOTICE TO STUDENTS

Annually, Memphis State University informs students of the Family Educational Rights and Privacy Act of 1974. This act, with which the institution intends to comply fully, was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

A. Release of Personally Identifiable Student **Education Records.**

Memphis State University shall not permit access to or release of any information in the **Education Records** which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:

1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
3. Appropriate persons in connection with a student's application for or receipt of financial aid.
4. Federal or State officials as defined in the regulations concerning this law.
5. State and local officials authorized by State statute adopted prior to November 19, 1974.
6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
7. Accrediting organizations to carry out their functions.
8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.

**Note:**

All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

B. Definitions:

- **Educational Records.** "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.
- **Student.** A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.
- **Directory Information.** "Directory Information" is defined as: The student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.
- **Access.** To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.
- **School Officials.** School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University.

Employees whose responsibilities place them within this category include: teachers; faculty advisors; admissions counselors; academic advisors; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.

— **Legitimate Educational Interests.** Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.

In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs, professional fraternities, special interest clubs, and student government.

C. Procedure for Gaining Access to **Educational Records.**

— To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

— If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.

— The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

**Note:** This procedure does not provide for a hearing to contest an academic grade.

D. Right of Access Does Not Include:

1. Financial records of parents or any information therein.
2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
3. "Records" to which access has been waived by a student.

E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.

F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.

G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Council.

# ZITS ARE THE PITS

## New Buf-Oxal™ helps clear up your skin without drying up your skin.

If you're looking for a sure way to clear up your zits, Buf-Oxal can help.

Buf-Oxal is a benzoyl peroxide gel.

You'll be surprised at just how quickly it will help clear up your pimples, blackheads and blemishes. And since it's water-based, you'll find it less drying than alcohol-based benzoyl peroxide products.

5% and 10% strengths are available in 2-ounce tubes. This means gentle Buf-Oxal is less expensive on an ounce per ounce basis than other leading benzoyl peroxide products.

Buf-Oxal works best when used as directed as part of a total skin care program that includes proper cleansing with a mild cleansing bar such as the Buf™ Acne Bar and a Buf-Puf® non-medicated sponge.

Zits are the pits. Help clear up your skin with Buf-Oxal.

**Buf-Oxal. Do it every day.**

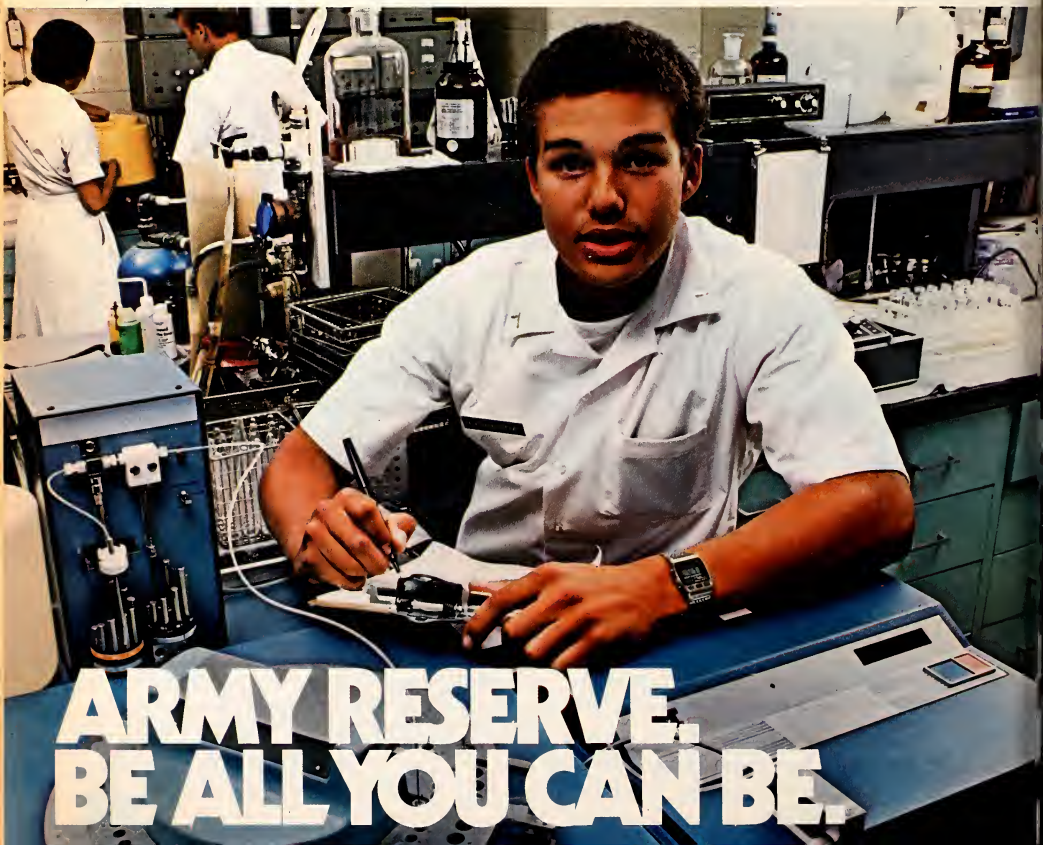
# MAKE $11,000 FOR COLLEGE WHILE YOU'RE GOING TO COLLEGE.

Want a part-time job that doesn't hurt your grades? Or campus life? Give your local Army Reserve unit a weekend a month and a couple of summers during college, and they'll give you over $11,000 for college.

Up to $4,000 in college aid is yours just for joining most units. Another $5,000 for four years of monthly weekends and two-week summer stints. Plus over $2,000 that you'll earn during two summer training periods. All while you're getting the most out of college. And doing the most you can part-time for your country.

You don't have to wait for college to join the Army Reserve. If you're 17 or older and a junior or senior in high school, join us now! There's no better part-time job in town.

Interested? Call your local Army Reserve recruiter. For the number, call toll free 800-421-4422. In California, 800-252-0011. In Alaska or Hawaii, 800-423-2244.



# College is for history, her story and Cafe Vienna.

It's a time for learning. From anthropology to psych. But most of all, from each other. Because no matter what's in the catalogue, what makes a college is the people.

And one of the nicest ways to get to know each other is over a deliciously relaxing cup of one of General Foods® International Coffees. Cinnamony Cafe Vienna. Chocolatey Suisse Mocha. Light and smooth Café Francais. Orange Cappuccino. Or perhaps the chocolatey flavor of Irish Mocha Mint (with just a hint of mint).

Take time out for a cup, and a friend. Because some of the most important things you'll learn in college won't be in the books.

## The Possibilities are Endless.

Six-mode exposure control. System versatility. Newer electronics for wider applications.

The Canon A-1 is one of the world's most advanced automatic SLR cameras. Combining the finest in optical and mechanical engineering with the most sophisticated electronics, it's technology applied to give you the ultimate in creative control. At the touch of a button.

Depending on your subject, you can choose from six independent exposure modes to achieve the results you want:

1 Shutter-Priority: You select the shutter speed, to freeze the action and prevent camera shake or create an intentional blur. The A-1 automatically selects the appropriate lens opening.

2 Aperture-Priority: Control the area in focus by selecting the lens opening for the effect you want. The A-1 matches with the right speed.

3 Programmed: When you need to shoot fast, just focus. The A-1 will select *both speed and aperture* for great results.

4 Stopped-Down: For extreme close-up or specialized photography, a bellows, a microscope or almost anything can be attached to the A-1. It's still automatic.

5 Flash: Totally automatic flash photography, of course, with a wide variety of Canon Speedlites to choose from.

6 Manual: Yes. For those times when you absolutely want to do it all yourself. To experiment. To explore the possibilities.

There are over forty fine Canon lenses ranging from Fish Eye to Super Telephoto, plus accessories to meet every need. If you can't photograph your subject with a Canon A-1, it probably can't be photographed.

From the sophistication of its LED viewfinder display, to a ruggedness that allows up to five-frame-per-second motor drive, the Canon A-1 represents an incredible technology. At a price that makes owning one a definite possibility.

# Get a new slant on math.

**"The Texas Instruments new TI-40 and TI-55-II calculators have angled displays for easy-to-see-answers."**

The slanted display makes these calculators easier to use at arm's length–and that's just the beginning. The economical TI-40, with built-in functions like trig, stat, logs, roots, reciprocals and more, will help you through math and science courses–especially since it comes with the informative book, **Understanding Calculator Math.**

The book explains how to use the TI-40 to work through, and understand, common problems.

If you're an advanced math or science major, you'll be more interested in the TI-55-II, which comes with the **Calculator Decision-Making Sourcebook.** The TI-55-II features 56-step programmability, multiple memories, scientific and statistical operations, conversion factors and much more–a total of 112 functions.

An extremely powerful calculator, at an excellent price. Both calculators have LCD displays, long battery life and fit right in your pocket.

TI-40 and TI-55-II calculators. Two new slants on math from Texas Instruments. Look for them wherever calculators are sold.

# Succeed in business.

**"It's a lot easier with a Texas Instruments calculator designed to solve business problems."**

Touch a few special keys on these Texas Instruments calculators, the TI Business Analyst-II™ and The MBA™, and lengthy time-value-of-money problems suddenly aren't lengthy anymore. You can automatically calculate profit margins, forecast sales and earnings and perform statistics.

And problems with repetitive calculations are a piece of cake for the MBA, because it's programmable.

These calculators mean business, and what they give you is time—time to grasp underlying business concepts, while they handle the number crunching. To make it even easier, each calculator comes with a book written especially for it, which shows you how to make use of the calculator's full potential.

The Business Analyst-II and MBA business calculators from Texas Instruments. Two ways to run a successful business major, without running yourself ragged.

# Technics linear-tracking turntable. Program it to play any cut. In any order. Even upside down.

Technics direct-drive SL-15. It automatically plays the record selections you want and skips the ones you don't. It completely eliminates tracking error and is so advanced it can even play upside down.

The SL-15's microcomputer and infrared optical sensor let you play up to 10 cuts per side, in any order. Just press the program keys in the order of the selections you want to hear. And with the repeat button, the SL-15 can repeat the entire program or any selection.

The SL-15 performs virtually any function, automatically. It accurately selects the record size and speed, finds the lead-in groove and begins playback at the touch of a button.

More proof of the SL-15's accuracy is its quartz-locked, direct-drive motor and dynamically balanced, linear-tracking tonearm. In addition to tracking perfectly, the SL-15 plays a record as accurately upside down as it does right side up.

Technics also offers other linear-tracking turntables, including our famous SL-10 and SL-7. Audition one and you'll agree when it comes to linear tracking, Technics is a cut above the rest.

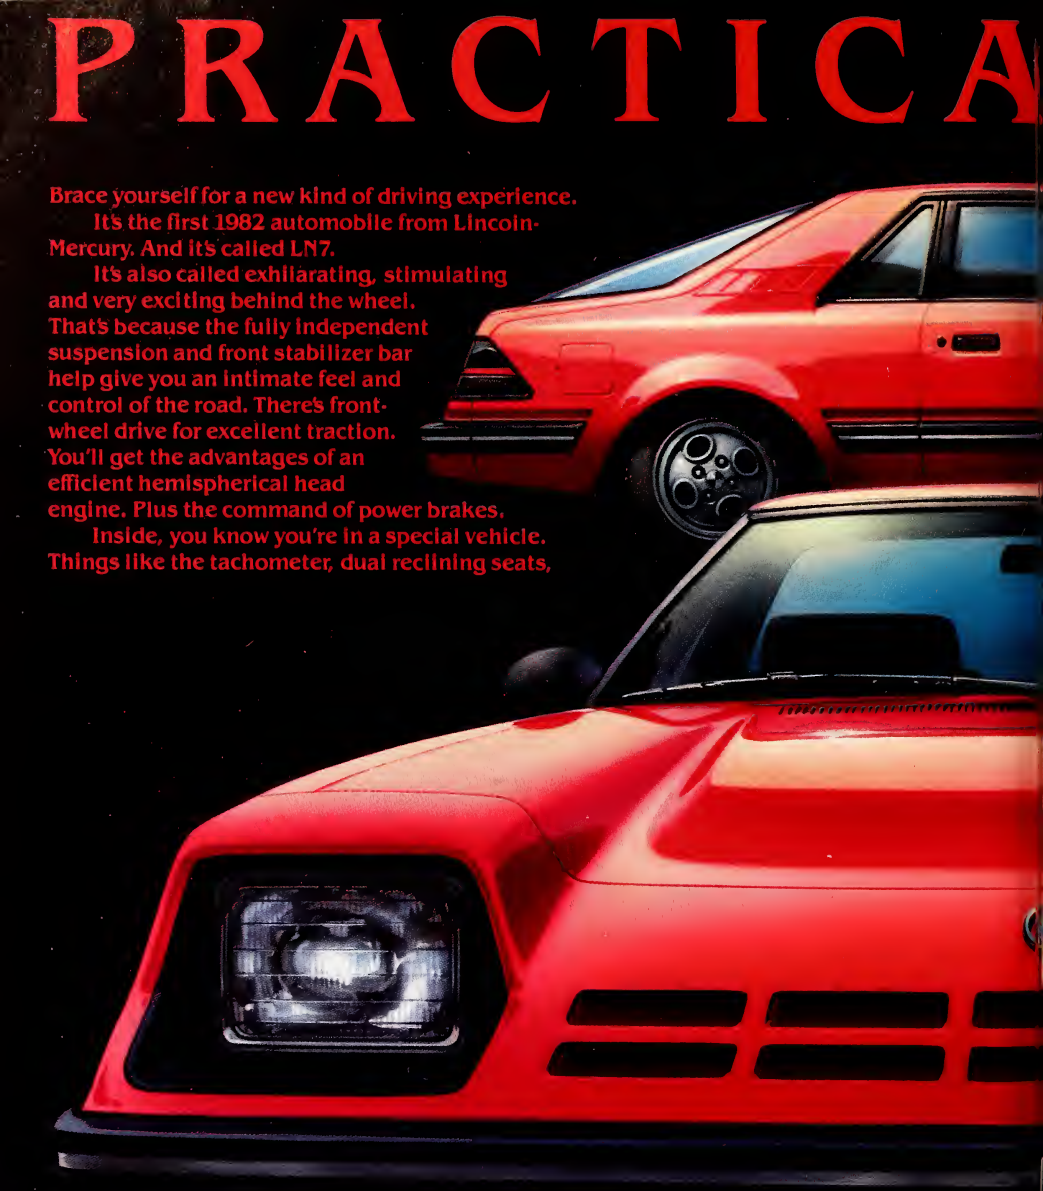
# PRACTICA



Brace yourself for a new kind of driving experience.

It's the first 1982 automobile from Lincoln-Mercury. And it's called LN7.

It's also called exhilarating, stimulating and very exciting behind the wheel. That's because the fully independent suspension and front stabilizer bar help give you an intimate feel and control of the road. There's front-wheel drive for excellent traction. You'll get the advantages of an efficient hemispherical head engine. Plus the command of power brakes.

Inside, you know you're in a special vehicle. Things like the tachometer, dual reclining seats,

tinted glass, rear-window defroster, electronic digital clock and console are all standard. The outside is just as special. It's sleek, rakish, and aerodynamic-looking. In fact, LN7 has the best aerodynamic rating of any standard-equipped American car. That helps give it more than advanced looks. It also helps provide exceptional fuel efficiency.

# With so many Panasonic Microcassette recorders to choose from, how do you choose the right one?

## Talk yourself into one.

RN-001D

Nobody offers more different kinds of Microcassette tape recorders than Panasonic. We have them in all shapes and sizes. With so many

Make sure you choose Panasonic Microcassette tapes, too. Standard, metal or Angrom.

combinations of features. And at many different prices starting under $60.* So how are you going to decide which one fits your needs? The best way is to come into a store and talk to an expert. Yourself. Talk into a few Panasonic Microcassette recorders. Or talk into all of them. And after you hear your own thoughts on the subject, you'll know just which one to choose.

You might find that the RN-001D would be best for you. It records up to three hours on Panasonic Angrom™ tape (up to two hours on standard tape) of your best ideas, meeting notes, letters, lectures—whatever comes into your head. It fits your hand easily, comes with a digital tape counter and cue and review and costs surprisingly little.

For sheer style, you might prefer the RN-007, the world's thinnest Microcassette recorder, with a dual sensitivity microphone for screening out background noise.

Or, if you do like listening to voices other than your own, there's our RN-600, an AM/FM stereo Microcassette recorder with Ambience Sound.

And for very, very little, you can buy the little Panasonic RN-164, the perfect Microcassette tape recorder for everyone in the house.

No matter what you do, any of these or our other Panasonic Microcassette recorders can make it easier. The hardest thing is to choose. But you don't have to take our word for it. Take your own.

*Recommended price; actual price will be set by dealers. Microcassette tape and batteries not included.

# Get a $20 rebate on the TI-59 Programmable.

Even without the $20 rebate, the TI-59 is special—it's our most powerful programmable, and we've never offered it at a lower price.

The TI-59 gives you up to 960 program steps, or up to 100 memories, plus magnetic card read/write capability. You can also slip in one of TI's Solid State Software™ modules and successfully attack complex engineering, business, statistical and scientific problems. And by adding the optional PC-100C printer, you can record your calculations.

So if you like the idea of having real programmable power, take us up on our rebate offer. Buy a TI-59 now, and fill out the coupon below. The offer ends Dec. 31, 1981.

Today's Casio calculators do more than just about every calculating job you need. They'll also wake you up to Mendelssohn, let you know when your three-minute egg is ready, give you the time of day and day of the year, remind you of a birthday, waltz through the Pythagorean theorem. Even make your leisure time more fun with games people like to play.

So, if you want a calculator you can count on, no matter what the course, select one of these at the Casio retailer near you.

## Count on these retailers for the Casio that figures for you.

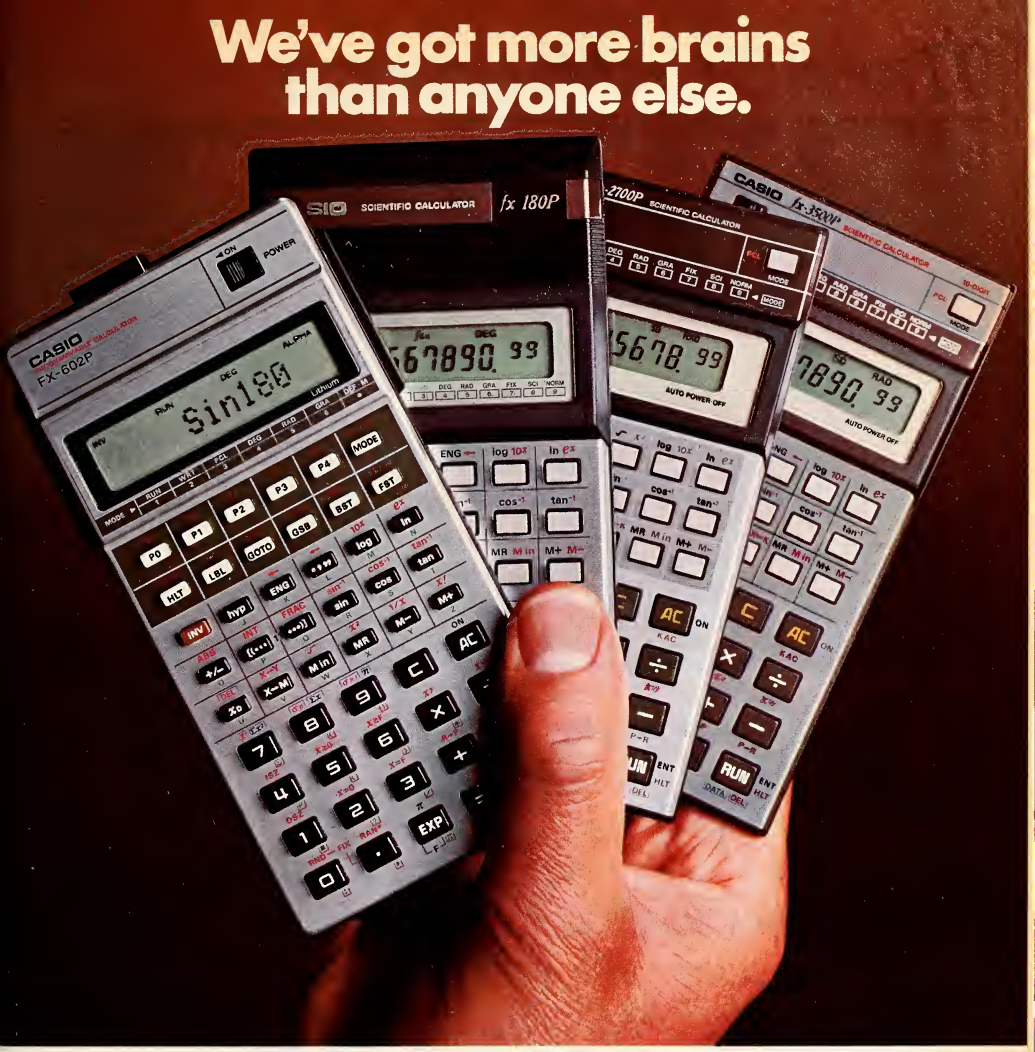
# We've got more brains than anyone else.



**The Casio Scientific Programmables.**

Now that Casio has a lot of different Scientific Programmable Calculators, you can match your brain to any one of ours.

If you're on your way to winning a Nobel Prize, the 512 steps of programming in the incredible FX-602P are just your speed. With its 51 built-in functions and 22 memories, this minicomputer turns your hardest formula into kid's stuff.

In addition, it has its own program library, true algebraic logic, long-life lithium batteries, and it even hooks up to any cassette recorder to store programs and synthesize music.

When you only need a scientific with 38 programs, the FX-3600P is the one to solve all your problems. And it still has 50 built-in functions and 18 pairs of parentheses to play with.

Other Casio programmables can make you a whiz at integrals, let you juggle 61 built-in functions, or give you 7 memories. And every one will last you through all your graduations and promotions.

Of course, no matter how brainy you are, you probably won't be able to figure out how every one of these Casios can be made so smart and cost so little.

But since we've already done that, all you have to do is try one. After all, no two brains are alike.

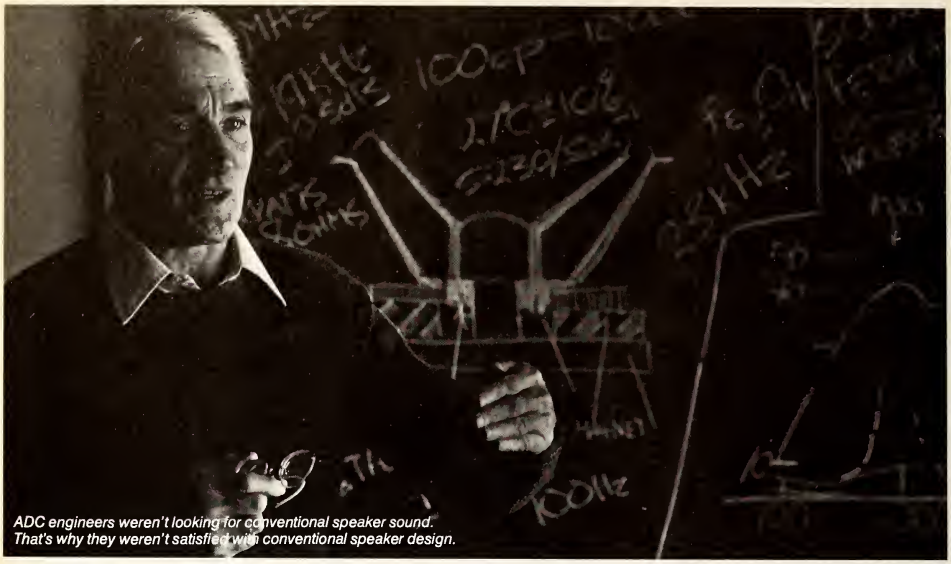
# The ADC difference



*ADC engineers weren't looking for conventional speaker sound. That's why they weren't satisfied with conventional speaker design.*

# Originality

***When it comes to performance, size doesn't count…anymore.***

*There's nothing conventional about our ADC MS-650 mini-speaker system.*

*Not its size; each MS-650 is just 11" high.*

*Not its design; it's available as a pair or as a three piece system with bass module.*

*Not its performance; "We cranked up the volume to almost orgiastic levels ….Ry Cooder's bass guitar and the howitzers in the new Telarc digital 1812 Overture came through undiminished and unscathed, and we didn't even smell the smoke of battle…"- Hi-Fi/ Stereo Buyers Guide.*

***Ferrofluid cooled drivers for higher performance and lower distortion.***

*There's also nothing conventional about MS-650 technology.*

*Most mini-system drivers can overheat and distort under high power. Both our 6½" high compliance woofer and 1" soft dome polyamide tweeter are specially cooled with ferrofluid. It disperses heat five times faster than air for better frequency response, lower distortion and greater power handling capacity…150 watts per channel!*

***A bass module that isolates low frequencies for extended bass response.***

*For most people a pair of ADC MS-650's are perfect. But maybe you're not most people. For you, there's our matching MS-10W bass module. It reproduces the lowest bass notes for both channels. The result? Bass response that not only defies the size of the system, it defies the imagination.*

*For your nearest ADC MS-650 dealer call toll-free 1-800-243-9544. Or write Audio Dynamics Corporation, Pickett District Road, New Milford, CT 06776. In Canada,BSR (Canada) Ltd. Rexdale, Ontario.*

This is no drill. This is the Air National Guard. The professionals who keep watch on the skies over America. All day. Every day.

It's serious business, because it's for real. And everyone from the jet engine mechanic to the weather technician knows it.

That's why they're here.

They know every time a pilot leaves the ground, they're riding with him. Their communications network, his ears. Their radar scopes, his eyes. Their aircraft maintenance, his life.

And whether it's a ground check on an electronic circuit. Or a steady hand on a refueling boom nine miles high, everything they do brings a special satisfaction. Because it counts.

# When you're responsible for millions of miles of sky, you don't fly it alone.

If you're looking for the chance to do something meaningful. If you've got what it takes to take on a real job. If you get that tingle down your spine when a jet engine fires up. Then maybe you should help us do what we do. We Guard America's Skies.

See your local Air National Guard recruiter. Or call us toll-free 800-638-0936 (except in Alaska, Hawaii and Puerto Rico); in Maryland call 301-981-3610.

# SECTION III
# INFORMATION ABOUT SPRING 1982 COURSES

### ADMISSION PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized.

Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to December 1, 1981. Anyone failing to do so cannot be assured of being considered for admission.

Any student who meets admission or readmission requirements after that date cannot be assured of registration before the first day of classes.

### TENTATIVE COURSE OFFERINGS FOR SPRING 1982

Listed below are courses which are tentatively planned to be offered during the Spring. These offerings are based on a projected demand and are subject to change. This listing does not constitute a commitment that a course will be offered. Current plans may be altered by unforeseen circumstances. The **Schedule of Classes** should be consulted for those courses which have received final approval to be offered.

## Addenda To The Catalogs

GRADUATE AND UNDERGRADUATE ISSUES 1981-1982
MEMPHIS, TENNESSEE JULY, 1981

*Memphis State University offers equal educational opportunity to all persons without regard to race, religion, sex, creed, color, national origin, or handicap. The University does not discriminate on these bases in the recruitment and admission of students, the recruitment and employment of faculty and staff, and the operation of any of its programs and activities, as specified by federal laws and regulations. The designated coordinator for University compliance with Section 504 of the Rehabilitation Act of 1973 is the Vice President for Student Educational Services.*

### Statement of New Undergraduate Admission Policy

Students applying as entering freshmen face an upgraded admission policy recently approved by the State Board of Regents. The new policy requires a composite score of 18 on the ACT examination **or** at least a "B" average in high school to be guaranteed admission to the University.

Those applicants with ACT scores of at least 16 or a "C" average in high school will be eligible for consideration with no guarantee of admission. Those falling within this group will be selected based on test scores and high school averages in addition to other available criteria, such as class rank, recommendations, evidence of special talents and abilities, etc.

### Academic Status and Retention Policy

The following minimum academic status and retention policy will become applicable for all undergraduate students at Memphis State University at the completion of the 1981 fall semester. The official grade report at the completion of the fall semester will indicate the student's academic status according to the new sliding scale retention policy.

This new retention policy will supersede the current sliding scale retention policy found on page 41 of the 1981-82 Undergraduate *Bulletin*.

### Academic Probation

A student will be placed on academic probation at the completion of any regular semester, term or summer session when his cumulative QPA falls below the following:

| HOURS ATTEMPTED | MINIMUM QPA |
|---|---|
| 14.99 and less | No minimum |
| 15.00 to 29.99 | 1.12 - 1.51 |
| 30.00 to 50.99 | 1.53 - 1.80 |
| 51.00 to 67.99 | 1.81 - 1.98 |
| 68.00 or more | 2.00 |

For numbers of hours attempted which are not in the table, the minimum QPA required will be based on each hour attempted. For each hour attempted from 15.00 through 68.00, a gradual increase in minimum QPA is required. A student on academic probation who withdraws from the University during the first probationary semester will be "continued on academic probation." Withdrawal by such a student from any subsequent probationary semester will be treated as an academic suspension requiring clearance from the Academic Status and Retention Office for any future registration.

### UNDERGRADUATE ACADEMIC RETENTION SCALE

| Cumulative Hours Attempted | Minimum QPA | Cumulative Hours Attempted | Minimum QPA |
|---|---|---|---|
| 0 - 14 | No minimum | 41 | 1.71 |
| 15 | 1.12 | 42 | 1.72 |
| 16 | 1.16 | 43 | 1.73 |
| 17 | 1.20 | 44 | 1.74 |
| 18 | 1.24 | 45 | 1.75 |
| 18 | 1.28 | 46 | 1.76 |
| 20 | 1.32 | 47 | 1.77 |
| 21 | 1.36 | 48 | 1.78 |
| 22 | 1.40 | 49 | 1.79 |
| 23 | 1.41 | 50 | 1.80 |
| 24 | 1.43 | 51 | 1.81 |
| 25 | 1.45 | 52 | 1.82 |
| 26 | 1.46 | 53 | 1.83 |
| 27 | 1.48 | 54 | 1.84 |
| 28 | 1.50 | 55 | 1.85 |
| 29 | 1.51 | 56 | 1.86 |
| 30 | 1.53 | 57 | 1.87 |
| 31 | 1.55 | 58 | 1.88 |
| 32 | 1.56 | 59 | 1.90 |
| 33 | 1.58 | 60 | 1.91 |
| 34 | 1.60 | 61 | 1.92 |
| 35 | 1.61 | 62 | 1.93 |
| 36 | 1.63 | 63 | 1.94 |
| 37 | 1.65 | 64 | 1.95 |
| 38 | 1.66 | 65 | 1.96 |
| 39 | 1.68 | 66 | 1.97 |
| 40 | 1.70 | 67 | 1.98 |
| | | 68 and Above | 2.00 |

The following statement replaces the statement regarding students who incur their first academic suspension, found on page 41 of the 1981-82 Undergraduate *Bulletin*.

A student suspended for the first time must remain out of the University for one regular term (i.e. fall or spring semester). A student suspended for the first time at the completion of the spring semester will no longer be allowed to enroll in the subsequent fall semester, after remaining out of the summer session.

The following statement is an addition to Section 6 of the *1981-82 Undergraduate Bulletin:*

**Testing As A Degree Requirement**

Any or all students may be required to take one or more tests designed to measure general education achievement and/or achievement in selected major areas as a prerequisite to graduation, for the purpose of evaluation of academic programs. Unless otherwise provided for in any individual program, no minimum score or level of achievement is required for graduation. Participation in testing may be required for all students, for students in selected programs, and for students selected on a sample basis. *(SBR 3-27-81)*

The following courses were approved for inclusion in the offerings of the University after 1981-82 Catalog issue of the University *Bulletin* had been sent to the printer. Their publication here constitutes the official announcement of their addition to the University curriculum.

UNIV 3511. THEMATIC STUDIES. (6) Urban Studies
A course on urban problems and their causes, an overview of the perspective and contributions of each of six participating disciplines which includes: urban anthropology, urban geography, urban history, urban economics, urban politics, and urban sociology. In addition, community leaders in the fields of city planning, housing, regional economic development, manpower and banking will present summary reviews of problems and proposed solutions in their respective fields.

UNIV 3513. CRIME, SOCIETY AND ETHICS. (6)
This course examines issues crucial to society's need to control crime and various ethical dilemmas which result. Some of the concerns to be examined are: What is law? What should the goals of law be? What should the relationships between law and morality be? What methods may legitimately be employed in the detection and apprehension of criminals? Have the courts gone too far in protecting the rights of the accused as opposed to the rights of victims? What kinds of pleas should be accepted as defense against criminal charges? What, if anything, justifies punishment? Should punishment be abolished in favor of attempts to rehabilitate? What distinction, if any, should be made between legal and moral responsibility?

# INDEPENDENT PROGRAMS

## UNIVERSITY HONORS PROGRAM

UNHP 3104. JUNIOR HONORS COLLOQUIUM I, FREEDOM AND CONSTRAINT IN THE 1950's. (3)
Study of messages and images from 1950's which express impulses of freedom and constraint of an emerging youth culture. Materials include selected novels, plays, films, and representative songs from the rock revolution and folk revival. Materials will be studied in the socio-political context of the times.

UNHP 4104. SENIOR HONORS SEMINAR I, THE MEDIEVAL WORLD. (3)
An examination of select works of literature, philosophy, painting, architecture, music, and political theory, this seminar has as its goal a greater understanding of the mind of the Middle Ages, with its tensions created by the medieval penchant for practicality forever at odds with medieval religious fervor.

# SOUND UNLEASHED

You may not realize it, but you've only been listening to music in two dimensions. In fact, owners of the most sophisticated systems utilizing the latest enhancement techniques are also only hearing two-dimensional sound, totally lacking the missing third dimension, Omnisonic Imagery™. Even owners of the most modest stereo systems will recognize the 801 Omnisonic Imager™ as one of the most significant improvements in music reproduction in years. This advance, available after extensive research by Omnisonix in the field of psychoacoustics, is intended to provide the enjoyment and feeling of live musical performance. To vastly upgrade the performance of your stereo system, simply connect the 801 to the tape or preamp input/output jacks and listen to clear, distinct sound images that seem to surround you, even while moving about. In fact, the impact is so great that the sound seems to come from outside the speaker plane, often overhead and to the rear. Your home virtually becomes a concert hall.

### Hearing is convincing

To experience the dramatic presence and detail that have been missing from your records, digitally recorded discs, and pre-recorded tapes, take a few of your favorites to an Omnisonix dealer for a demonstration; you are in for a musical delight. And amazingly enough, any tape you record through an Omnisonic Imager will retain the Omnisonic quality when it is played back on a conventional stereo system. The 801 Omnisonic Imager also adds a dimension to FM, monophonic AM and TV sound, with a simple adjustment.

### Highway imagery

The new Imager 801-A™ does for your car stereo what the 801 does for your home music system. It raises the sound from the floor level to the ear level. The variable imager control allows you to vary the image to any auto environment.

### Hear what you've been missing

Join the growing thousands of music listeners who have found it completely affordable to enjoy the delight of Omnisonic Imagery and discover what they had been missing with conventional stereo.

Since all Omnisonic Imagers are designed and built for lasting performance under strict quality control conditions, Omnisonix offers a lifetime warranty on the active proprietary circuitry.

ANOTHER TECHNOLOGICAL ADVANCE FROM SHARP.

# MURPHY'S LAW DEFIED.

"If anything can go wrong, it will" and usually does, especially when you're entering an equation into a calculator.

Until now, you may have been using the error-prone procedure of encoding and decoding the steps of an assembly code. The Sharp 5100 Scientific Calculator eliminates this needless procedure. It's the first programmable calculator that allows you to enter directly, using algebraic, logarithmic, exponential and other functions in their familiar form.

That's Murphy's Law defied.

The 5100 is also the first hand-held to give you a complete display of the equation: you see 24 characters at a time in a dot-matrix display that rolls right or left to accommodate one or more formulas of up to 80 steps. So that while other programmable calculators display only one *program step* at a time, the 5100 displays the actual equation in its entirety, and in the way you're accustomed to seeing it.

If, anywhere along the line, you've entered an incorrect character (Murphy's Law at work), the display makes it easy for you to spot. You can then move the 5100's computer-like cursor to any part of the display to correct it.

In addition to the fast solution of frequently used formulas, the 5100 is extremely convenient for deriving difference tables, performing data analysis, numerical integration, simulations of linear systems, statistical and probability calculations, and many other procedures. It has so many uses, it would take a book to fully describe them, and someone has even written one.*

Sharp offers you a complete line of highly advanced scientifics, and if you want the leading edge in scientific calculators, buy the 5100 (under $90.00)†.

# THE QUINTET

## JVC's new portable component system.

**Five great performers that play perfectly together.** Now you can enjoy true high fidelity both at home and on the road. With the new JVC Quintet.

As five separate components, the JVC Quintet makes beautiful music in your living room, den, office or vacation home.

But you can also carry your tunes with you—on a picnic or at the beach—by snapping these five great components into one compact portable. With optional battery pack and car/boat adapter, you don't have to worry about electricity.

And the performance? Just what you'd expect from a JVC component system.

The sensitive tuner brings in four radio bands, including FM stereo, AM and two short-wave bands. Clean, low-distortion FM stereo reception is delivered by a PLL circuit.

The precision cassette deck plays and records any tape you choose, including the new "metal" ones. It also features JVC's exclusive Super ANRS™ system for greater dynamic punch and better fidelity in your recordings. And the powerful amplifier delivers your music to two full-range bass-reflex stereo speakers. You can even add an optional record player.

So for a musical team that—like the Harlem Globetrotters—is a winner everywhere, check out the Quintet. It's starring at your nearest JVC dealer.

# It's a gas not a guzzler.

The 1981 Honda Express® is a real gas to ride. And at up to 100 mpg* it goes a long time between fill ups.

Riding an Express is as easy as affording one. There are no pedals to pump. The clutch is automatic so the only shifting you'll have to do is from Premium down to Unleaded. And this year an automatic choke and a kick starter make starting easier than ever.

A peppy Honda two-stroke engine is at the heart of every Express. It's got automatic oil injection so you don't have to pre-mix gas and oil. And a chain drive system that doesn't need scheduled maintenance.

But for all the practical reasons there are to buy a Honda Express, the best reason of all is impractical: It just could be the most fun you've ever had.

If you'd like to have a lot of fun on a little gas, see your local Honda dealer.
